Wanted Golfers Who Need To Have a Great Day Out For a Good Cause

Don't Be the Only Person in Singapore Construction Industry Not Supporting this Event

The Lighthouse Club

Is the Construction Industry Charitable Society in Singapore and aims to promote fellowship and co-operation amongst all members in every respect and wherever possible and also to develop a Benevolent Fund to provide financial assistance to victims of accident or illness within the construction industry and to their dependents where a fatal or permanently disabling accident has occurred.

The motto of the Lighthouse Club is "Allis cum Humanitate" which translates as "Consideration for Others".
